

**PRIVATE JETS**

As an private jet operator, you can order international newspapers printed on demand for use on flights and in airline lounges. Receive the latest copies everyday, providing an exciting premium level of service.

With over 700 newspaper titles from over 75 countries to choose from, you can meet the needs of your diverse passenger base. Flying to Manchester or to Moscow? Have the latest United Kingdom and Russian papers ready for your passengers. 360 works with the leading private jets catering companies to offer a unique inflight experience.

**YACHTS AND CRUISE SHIPS**

NewspaperDirect's Print-on-Demand solution allows you to read the latest edition of the world's leading newspapers at sea. There are currently over 700 newspaper titles from over 75 countries on our network.

The latest edition of the world's newspapers are available on-board your yacht at the same time or before they hit the newsstands at home.

You can select any title on our network and print any number of copies on demand. Or you can set up a daily subscription to print selected newspapers automatically.

Contact us today to start enjoying this luxury before your next voyage.

**CONFERENCES & EVENTS**

NewspaperDirect's Print-on-Demand service is becoming a global standard for all international conferences and events. With this service, you can offer same-day editions of over 700 titles from over 75 countries to all your international delegates and VIPs.

360 has printed and distributed at many major events including the recent African Summit in Cannes, the Financial Forum in Monaco and the France-Russia meeting in Nice .

**HOTELS & RESORTS**

Join hundreds of hotels around the world who have made their properties more attractive to business travelers and vacationers who need to keep on top of current events and stay in touch with home.

Offer them the one amenity that makes them feel at home while away from home - their favorite newspaper, hot off the press.

360 offers a web-based Print-on-Demand newspaper service for hotels to conveniently and cost-effectively print 860 of the world's most popular newspapers for their guests, on-site - on-demand - on existing in-house equipment.
